

**Non-submission of fee proposals for Academic Year 2018-19 in cases where, fees are approved by the Authority for A.Y. 2016-17.**

Authority meeting dated 23<sup>rd</sup> August, 2018, Resolution Item No.3.

As desired by Authority, institutions submitted joint fees proposals for academic year 2016-17 & 2017-18. By using the software, scrutiny by CA panel and review by Fees Regulating Authority the fees for academic year 2017-18 was worked out. By reducing it appropriately, proportionately fees for earlier academic year 2016-17 was approved.

Some institutions desired that the fee structure only for academic year 2016-17 be approved and they did not want upward revision of fees for academic year 2017-18. In all such cases, the fees for academic year 2017-18 was worked out and by reducing it, proportionately, fees for academic year 2016-17 was approved. In the column of fees for the academic year 2017-18, remarks "No Upward Revision" was given.

All the institutions who did not seek upward revisions of fees for academic year 2017-18 now wants to retain the same fees i.e. fees for academic year 2016-17 as the fees for academic year 2018-19 without submitting proposal. We do not see any hurdle in accepting the request. This will be consistent with of section 14(1)(b).

Truly speaking, fees for academic year 2017-18 was infact worked out but was not declared since the institution did not opt for upward revision of fees for that academic year.

Inform such institutions that they are allowed to apply fees structure of 2016-17 for the academic year 2018-19. However they will have to submit fees proposal for the academic year 2019-20 within time stipulated. Non submission of fees proposal for academic year 2019-20 shall invite penalty according to law. Please note.

- ❖ Concerned institutes may communicate "No Upward Revision" by letter or email to this office.
